Prologue

Who
are
you?!

Tell me!
Who are
you?

What a
cheeky
guy!

Actually,
that's
our line.

He he
he...

The losers,
born to
fight
against
your kind.

These
three
are my
warriors...

Damn you!
We'll see
about that!

What?!

Leave
this
to me!

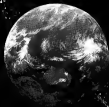

The legendary
stage is set.

VOL.1

Nagisa

Shounen Jump

duff duff

huff huff

huff huff

Clear

あああああ

I can always find Nagisa, wherever she may be.

You brat!
How did you get here?!

...Kaos?

I am
Pier, one of
Naga's
Big Four.

And I
have come
here to
eliminate
loser-1.

Heh,
Partner
telepathy,
is it?

Well,
that's
just
fine.

lczer-1!

They're
all gone??

No
way!

In just
one
instant??

You can't
defeat me.

Just
give up
already.

Ho ho ho.
I can't let
you look down
on me like that
now, can I?

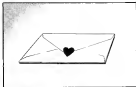

It can't
be...

Grin
♡

No... No
way...

!!

VOL.2

Kawai I

...That
is...

...something
helpful to
the future
of mankind.

Smile

Neos Gold's fortress

What
is it?

Yup! I'm
Iczer-3.

And
I'm your
partner,
Kawai.♡

VOL.3

Kawai II

Grin

Grin

you're all I can see, standing in the darkness...

loser-S...

Partner?

It means that we can fight together

what do you mean by "partner"?

It must be because we're partners.

Hm, well... I don't really understand, but...

In order to defeat her, we need to find our partners

There's that big megal called Big Gold who's coming to attack the Earth.

Fight... against whom?

It can't be, right?

Oh, come on.

So, you're... an alien?

...It's hard to believe something like that all of a sudden.

I'm not an Barthling, so that means I'm an alien.

What's so funny about that-?

...can see you, letter-B...

But it's true that I...

Then, please tell me why you fight, letter-B.

Come on, believe me! Let's fight together, Kawaii!

How strange...
I can see these
people as well...

Don't get
in the way,
you frail
little human!

Why do we
have to fight?
Please tell me
the reason!

Eh?!

Iczer-3!

Uwah!

He he...

I'm not a warrior,
so don't worry about it.

Do you
mean to insult me
as a warrior...?

Kuh...

Kawell,
or what-
ever your
name is...

Now, hurry
up and take
care of lots.

ユウウツ

I'll make
sure to
pay this
debt...

That girl is...

Kawaii...
Shizuka...

Kawaii...

All riight!

All riight!

All riight!

VOL.4

Yajin I

They're
here!

Don't make
a racket!
He's resting
right now!

They're
here,
Mr. Yajin!

I'm doing
that to
him, you
idiots!

Sekine
is
flying?!

No
way!

Hey! Do
you bastards
wanna try
flying, too?

T...
That's
awful!

S-Sekine!

He's a
monster!

R... Run
for it!

Whoah!

Uh...

He he he
he he...

So,
you're
Yajin.

As expected
of Mr. Yajin's
psychic powers!

Amazing!

Huh...
let's go
home.

What?!

Eh?!

Turns out
this pretty
lady is an
alien!

Awesome!
Did you
guys hear
that?!

Buh ha
ha ha ha!

Gasp
it...

Did you
come
for me
because
I'm an
SSPer?!

To a
hotel
or...?

He he...
where
are we
going
anyway...

I'm
right
here.

Heh. I'm
the one
who should
be asking
that question.

Why
someone
like you
is my
partner...

A... And
you for
real?!

I was
wonder-
ing...

Enemy...?
Who's that?

It seems that
your inner
spiritual world
is close to
our enemy.

I see...

He he...
What are
you doing?

You'll
find out
soon
enough.

Y-You bitch,
are you...?!

The amazing
psychic boy,
little Yajin...

Ooh!

Me!

Now, let's
have a look
at little
Yajin's
power!

...I was
really
tired,
so I
couldn't
focus.

But
that
day...

There was
a lot of
interest in
psychic
powers back
then, so I
was a bit
of a star.

clap

clap

clap

The more tense
I got, the less
I could focus...
I failed.

It won't
bend...

And soon,
the interest
faded.

No matter
how much
I begged my
tal, the
media no
longer cared
about me.

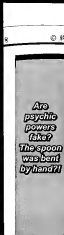

As the rumors
spread, my
powers were
branded as fake.

Even at
school, I
became a
laughingstock.

**Are
psychic
powers
fake?
The spoon
was bent
by hand?!**

And I
began
to train
them
thoroughly.

But
I still
had my
powers.

To make
those who
laughed at
me pay.

You bitch!
You don't even
understand
the crap I
went through!

Misanthropy
is it... I can't
agree with
such an
object
rendee!

Get her,
guys!

I got
this, Mr.
Yajin!

Whosh?!

The
hell is
that?!

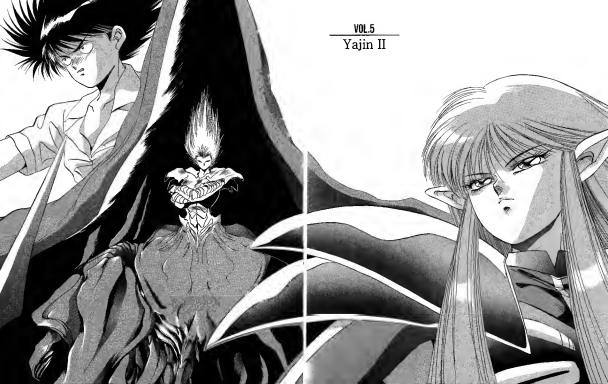

I told you.
It's the
enemy!

He he
he he
he...

VOL.5
Yajin II

You're so
unlucky,
lolan-2. To
have me, the
strongest
warrior,
as your
opponent...

*Come
on!*

Death is
the only
option
for you!

Yakin,
stand
back!

U-Uwah!

He he
he...

Hah... How
do you like my
swordplay?"

...you won't
be able to
land even a
single hit on
my beautiful
body. He he
he he...

With
your
pitiful
skill
level...

He he he...
There's no
need to be
impatient,
later=2.

Well, aren't
you talkative

Is your
fighting
style
based on
mouthing
off?

Yajin!

Uwaaaah!

Take
this!
Iczer-2!

Now
you
can't
move!

Get ready
to melt
and die
in there!

Iczer-2!

ゴボ
ゴボ

I-I have
nothing
to do
with this!

Fuh ha ha
ha ha ha!
Too weak!

You are
too weak,
Izzer-2!
Ha ha ha
ha ha ha!

Heigh! An
organic barrier.
What use could
a partner with
such a lowly
skill possibly be?

Get these
butterflies
off of me!

Hgh!

I wonder
how long
you can
keep it
up...

Uwah!

Again! If
that's all
you've got,
you won't
be able to
handle being
my partner.

Y-You did
that on
purpose?!

Iczer-2... So
you pretended
to be defeated
in order to learn
more about the
boy's powers...

Too bad...
Insect...

Iczer-2!

Curses
you...

Too
slow!

Way
too
slow!

あ
あ

Who's the
strongest
now, huh?!

Overkill

I'll show
you my
real power
starting
now...

What?

Y-You bitch...
Don't think
you've won
just yet...

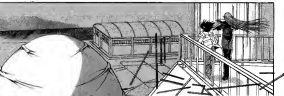

Giant
insect
metamor-
phosis!

The lozans
do possess
giant body
doubles...

Will she be
all right,
mother...?

...

What?!

Big sister
is back?!

Lady
Golem
has
returned

I'll call
Sigma.

W-What an
outrageous
monster!

Huh?

Besides,
I want
to learn
more about
your power
as well.

Sigma?

Sigma!
